BONUS VIDEOS FAQ

Since we introduced the bonus videos in our sister magazine, SCORE, last year, some readers have been hesitant to view them or simply haven't done so at all. And that's because they're skeptical. A little skittish.

If you fall into that group, this is for you. We want to assure you that there are absolutely no strings attached. Free means free. So here goes with a quick FAQ.

Is this a trick to get my personal information so you can sell me something else or sell my information to another company?

Absolutely not. When you go to the home page for the videos (for this issue, it's www.scoremag .com/ET2206), the only information you're prompted to enter is your bonus code (see below for your exclusive code for this issue). No email, credit card or personal information is required or requested. It's all completely confidential.

Okay, fine, but don't deny it: I'll still get a ton of malware and spam, right?

Nope. All of our websites are 100% malware-free. You won't get any spam because we don't request any personal information. Since we do not use cookies,

you're not at any risk of getting unwanted emails or pop-ups. Basically, we'll have no idea who you are.

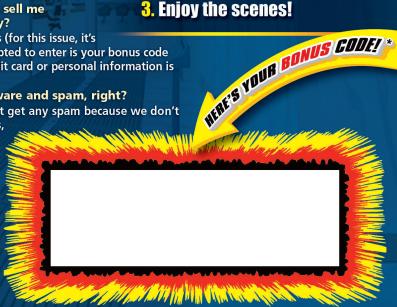

I gotcha. But you're just going to show me a teaser of the scene and make me pay to see the rest of the video, right? Or you're going to try to upsell me to another scene.

Nope. No teasers. Once you access the bonus video page, you'll be able to view or download the full videos. And there are no upsells in the bonus video website. We won't try to sell you anything else. We're very thankful that you purchased 18eighteen magazine. That's enough for us!

Watch the bonus videos and enjoy the full, new 18eighteen experience!

EASY AS 1-2-3!

- 1. Go to scoremag.com/ET2206.

READER FORUM FOR HOT TOPICS, QUESTIONS, COMMENTS AND SUGGESTIONS.

Schoolgirls All Year Long

Dear Virgin Territory,

Naughty Schoolgirls is the hottest mag out there. You should put it out

more often. So far it looks like this magazine is only released twice a year or so, but surely you must have enough of a fan base to justify putting it out monthly! I love see-

ing all these hot girls in their school-girl uniforms and with white cotton panties. It sure does take me back to the days I was in school and would lust after my classmates.

The hottest girls in your Summer 2019 issue are Foxy and Ariana. Foxy is beautiful and has a grade-A ass. The way she stuffed her pussy with that dildo gave me all kinds of filthy thoughts. She looks like she has a

super tight pussy. Wish I could experience it first-hand! As much as I love seeing your girls in schoolgirl uniforms, I also love cheerleading outfits. Which brings me to Ariana. What a beauty! She's so incredibly sexy; she must rule the school. I'm

sure all the guys who watch her cheer from the bleachers get rockhard boners for her. I know I did. That body of hers is out of this world, and I love her tanlines.

In my opinion, the Summer 2019 issue of *Naughty Schoolgirls* was a perfect issue. I hope the next one you put out is just as good, and I sincerely hope you'll consider publishing this magazine more than twice a year.—S.N., Bloomington, Indiana

Dear S.N.,

Thank you for the feedback. If more readers show an interest in Naughty Schoolgirls, we'll consider publishing it more often.

Perfect Melody

Dear Virgin Territory,

If there are more girls who look like Melody in Ohio, I think I'm going to have to consider relocating. She is gorgeous. As it is, I live in the middle of nowhere and it sucks. There are no hot girls here. I can't even get 18eighteen at the store. I have to drive 10 miles to the next town to get it. I would subscribe but I live with other people and well, it would be awkward if they found porn being delivered to the house. The drive is well worth it for girls like Melody though. She's such a pretty girl. And her rack makes my mouth water. The way she fingers

her pussy makes my dick harden and drip. She's the epitome of a brunette bombshell. Excuse me now while I go take care of business while thinking of Melody.—P.L., Hermosa, South Dakota

Dear P.L.,

Make sure to check out Melody's pictorial on page 88 of this issue. You won't be disappointed!

Naughty Natalie

Dear Virgin Territory,

Natalie from your Vol. 22 No. 4 issue is my porn dreamgirl. She was the perfect choice for a covergirl, as I

couldn't wait to open the magazine as soon as her on it. She's like a perfectly ripe peach just waiting to be eaten. And believe me, I'd eat that peach for hours while she dripped sweet juices down my chin. I prefer her body type to the skinny, flat-asboard girls. Natalie has a nice pair of boobs for squeezing and sucking,

and that ass would feel amazing as I spread her juicy buttcheeks open and tongued her succulent butthole. She spreads her pussy like she wants a big, fat cock inside it. Hopefully you'll make that come true soon.

Please feature more girls like Natalie in your upcoming issues-pretty, feminine, curvy and horny. Include some hot spread-pussy shots and full-body shots as well. Leave the vanilla glamour stuff to mainstream magazines and keep 18eighteen full of hardcore and spread pussies and sexy teen babes. I'm sure I don't need to tell you that, since you're usually great at doing that. But just in case. Can't wait to see Natalie again soon.-P.W., Pocatello, Idaho

Dear P.W.,

Natalie has a hardcore pictorial coming out soon. Stay tuned!

Glazed Asian

Dear Virgin Territory,

Elle's hardcore pictorial gave me good material to masturbate to. I like the style of her uniform. That's the first kind I've seen like that. Can you please feature more girls with that

style of uniform? She looked so cute bent over and showing off her panties. It's a shame that girls think they need to stuff their bras. If only they knew how many guys out there like their small tits the way they are. Elle has lovely tiny breasts. The tattoo on her chest is not ideal, but I can live with it. I just focus on her other nice assets, as she has many. Her fuzzy triangle and pink slit are quite pleasant. Seeing her take that cock in her mouth and pussy was very arousing. On page 59 her pussy looks so deliciously filled up with manmeat. You can tell how much she is enjoying herself. Also, great job on covering the tattoo with her hair.

Elle looked absolutely adorable with that facial. I don't know how. but she looks even cuter with cum on her face. I appreciate that you featured such a large photo of the cum shot, as those are the best way to end a layout. I blew a comparable load to the one she received in her layout. I have to admit it was bigger than the loads I usually blow, but that's the effect Elle has on me.-G.K., Grand Island, Nebraska

Dear G.K.,

The style of uniform Elle is wearing is known as a Japanese sailor outfit. If you're interested in jacking to the video version of that scene, you can check it out online at 18eighteen.com.

Skinny and Stuffed

Dear Virgin Territory,

Wow. I was really blown away by Kyler's hardcore pictorial. Give my compliments to the photographer. He did a great job with that scene. I loved the photos of the guy picking Kyler up and holding her in the air. It really gives you a sense of how petite she is and how much fun you can have putting her in all kinds of positions. You started off hot with that upside down blow job pic and kept it going throughout the layout. The ball-sucking and cock-swallowing photos on the bottom of page 46 were great.

Then we got to see Kyler riding that cock, and man, did she look absolutely stuffed! That headlock pose on page 48 is always a winner.

The action is right in our face and the horny expression Kyler is making is classic. This brings us to the centerfold shot. I'd frame it and hang it on the wall if it were socially acceptable. Everything is perfect, from her piercing gaze to her stuffed pussy. That centerfold photo is truly a work of art—although I don't know that I've ever cum so much to any other work of art, if at all.

The following photo on page 52 was also a strong contender for centerfold. It's always arousing to see a girl held up in the air and splayed out the way she is there. Shooting her with a creampie instead of a facial was a nice change of pace. Overall, this is one of the best hard-core pictorials I've seen in your magazine. Congrats on a job well done.—A.C., San Jose, California

Dear A.C.,

Thank you! We're glad you liked the pictorial. The video version is equally

hot. You can watch the scene in Creampie Cutie Pies 3, available for order on page 99.

Keepin' It Raunchy with Sophia

Dear Virgin Territory,

Sophia from your Vol. 22 No. 4 issue is an outstanding babe. What a juicy pussy and chest! I also love that there's no ink on her. Her layout was raunchy-just the way I like it. You got right to the cock-sucking on the first page. That's how you do it! I don't need a bunch of pictures of the girl undressing. I want to see the action. The picture of her spreading her pussy while sucking cock was so dirty in the best way possible. Then she looked like she was thoroughly enjoying that cock fucking her. I bet it would feel amazing to experience that juicy pussy of hers sliding up and down your cock and squeezing it with her pussy muscles as she came. The cum shot of her was great—a nice big photo where we can see her pretty face, her tits and that cum all over the place.

I need to check out the video for this scene. I saw that you said it was on your website, but do you have it in a movie yet? I would love to add it to my collection of porn.—K.B., Chicago, Illinois

Dear K.B.,

We don't have this scene in a movie yet but may include it in one in the future. For now, it's still online at 18eighteen.com.

A Hopeful Candidate

Dear Virgin Territory,

I want to know how I can get featured in your magazine! I found a pile of 18eighteen magazines hidden at my uncle's house and swiped a few. I'm 19, but I've never really looked at porn before. I guess you

could say I've had kind of a sheltered life. So I was a little shocked when I first started looking through the magazine. And then I started to get aroused. I don't know why, because I'm straight. Maybe it was the sex photos you had of the guys and girls together. But I also started to have another thought: maybe I should try this! It would be so out of character for me, but maybe that's a good thing!

I don't know if I'd be ready to have sex on-camera, but I'm totally down to do a nude photo shoot. I'm pretty cute and similar to the other girls you have in your magazine. To give you an idea, I'm 5'3", 115 lbs, a B-cup and I have blue eyes. Out of all the pictures I saw, I liked Aeris's layout from the Aug. '16 issue the most. It looks like she's in an arcade with a pinball machine. I'd love to do a fun

photo shoot like that! Or maybe something on the beach. Please let me know what I need to do!-J., via email

Dear I.,

Please send at least four photos: fully nude head-to-toe front, side profile and back, and one nude from the waist up. Include your name, age and contact info. You can email your submission directly to model@scoregroup.com. Submitted photos are for evaluation only and are not published without your consent.

Lusty in Lace

Dear Virgin Territory,

Ali is a cute, little thing who I'd love to lick up and down. Judging by the way she works that lollipop, it looks like Ali likes to use her tongue too. Well, I have something nice and hard she can stick in her mouth. We can 69 till we're both on the brink of cumming, and then fuck like bunnies. I'd grab on to her perky, little Bcups and her round ass while she rides me. Then I'd pull out and spray her pretty face with my jizz.

On a side note, I'd like to add that I like Ali's lacey panties. They're way better than the granny panties you've been putting on some of the girls lately. I get that you're going for the bloomer look, but the panties should at least fit the girls well and not look

like diapers. Keep the panties sexy and simple like the ones Ali has on.-E.Y., Sandusky, Ohio

Dear E.Y.,

Thanks for your comments. We'll take your suggestions into consideration.

right age to be sucking cock. She looked perfect blowing that dude in her layout in the Vol. 22 No. 4 issue. I'm so glad you started off that issue with a hardcore layout instead of a movie preview. I can only speak for myself, but I prefer to see as many pictorials as possible instead of mar-

keting stuff. As for Emily, I'm in love with this little caramel vixen. There's something about her that I find very attractive. It's partly those big, pretty, brown eyes of hers, and partly that tight, puckered brown eye in her backside. I'd happily gaze into either one. I enjoyed seeing her tight body completely nude and her meaty, purple lips filled with an older man's cock. The big, messy facial was also greatly appreciated. I hope Emily enjoyed receiving it as much as I enjoyed jacking to it.

Emily truly has star quality. I hope she stays tight, fresh and horny. Cheers to her and all the sexy babes in your magazine.—A., via emial

Dear A.,

It is a great scene. Be sure to check out the hardcore video of Emily online at 18eighteen.com.

It was Homecoming night and Nannette was in a hotel room surrounded by a room full of friends. Tired friends, sure, but that didn't mean they were heavy sleepers. So, getting laid? Never in a million years, right? At least, that's what she thought when one of her guy friends slipped into bed behind her, having no clue they were about to become...

HushedHumpers By Joe Monks

4:43.

Nannette wasn't sure what had woken her up, but the motel room alarm clock was hanging off the nightstand, a casualty of the earlier goings-on. Possibly when Lily and Matt had disappeared. Rumor was she'd been saving it up for tonight, and from the look on her face? Nannette would've bet all the money she'd saved for next semester's textbooks that that was one cherry that'd been righteously popped.

She squinted. Ugh, still AM. She and her friends had partied hard after the homecoming party. The bonfire. The flood of teens who'd

swarmed the pool. The dirty-lyricsonly karaoke session that started when Bobby busted out his guitar. She chuckled, thinking about a particular line Jason had howled, just before pulling down Kristi's bikini bottom. That had really gotten things going. Half the girls topless or skinny-dipping, with no shortage of guys happy to join in. She stifled a yawn, trying not to make any noise.

Not that the room was quiet. George, who was sleeping on the floor, was snoring. So was Lily. There were nine of them altogether, up from the six they'd planned on.

Ray had brought a pillow and blanket, and was sleeping in the bathtub, still damp from the ice they'd filled it with for the sodas and Marci's to-die-for punch. At least he'd pulled the curtain, in case anyone needed to pee.

Pete and Trish were tangled up on the floor under the little table. Veronica and Cheryl had a spot in the corner, clustered around Lance. Those three had staked out their territory early, setting up a tent with blankets Lance had snagged from an unattended housekeeping cart. Nannette wished the linens could

talk, because she was desperate to hear the stories about what had been going on in there all night!

"Hey, was that you I heard?"

Well, that explained it. Now Nannette knew what had woken her up. Andy had slipped into bed with her, tugging on her ponytail. She stifled a giggle.

"What are you doing?" she hissed. "And, what are you talking about?"

He leaned in close. So close, his hand pressed against her ass cheek. He whispered, but wasn't exactly inconspicuous.

"I thought I heard somebody fingering herself. I was wondering if it was you?"

Nannette bit her lip, trying to keep from reacting. She felt his hand slide over the curve of her bottom again, and reached under the blanket to slap it away.

It was not his hand.

"Andy!" she whispered, just

slightly louder.

"What?" he asked, his lips so close to her ear it made her tremble. "Everyone else is asleep, I figured it had to be you!"

"I was not fingering myself," she said flatly, his shoulder pressing into her back. She didn't blame him. How could she? The beds in the motel were tiny. Barely twins. But, she'd managed to snag one for herself. One of the few advantages of having the same name as your mom...and being able to swipe her credit card so you could cover the room deposit, even if you didn't look 21.

She jerked her hand away from Andy's junk, not that that dissuaded him any. If anything, it encouraged him.

"It sounded, you know..." he said, somehow managing to get even closer.

"It sounded what?" she asked, knowing better, but unable to let his comment go.

"Really wet. Totally woke me up. I'd still be sleeping in the closet," he claimed, tingles dancing up her bare thighs.

Oh god, she thought. If he starts talking dirty....

"At first, I thought it might be Veronica going down on Cheryl," he whispered in her ear. "I kinda, well, saw them carpet munching when I went to bed."

Nannette adjusted her trajectory and slapped his thigh. Still, she could feel the outline of his hardon. She tensed, eyes scanning the room. The slap was louder than she'd expected.

"Hey," he protested. "It wasn't my fault! Lance didn't steal enough blankets to make an igloo, how could I not look?"

Well, she couldn't blame him there. She'd seen Cheryl and Veronica naked in the locker room how many times? And still, made no effort not to look. Cheryl was fucking built. Veronica was more like Nan. Athletic, although Nan

had a lot more going on in the hips department. Veronica could have passed for a freshman. Flat as a boy, narrow waist, just tiny everywhere. Lance had sure lucked into that, she thought, envy creeping in. Veronica was a straight-up lesbo, hadn't shown interest in guys since grammar school. Cheryl, on the other hand, was bi all the way. So, it came as a surprise when Andy filled her in, mentioning, "Blew my mind when they started taking turns!"

"Doing what?"

"Uh, sucking Lance's dick?" Nan gulped. Either she needed to get Andy to return to the closet, or

to shut up and go back to sleep. She didn't mind him sharing her bed, that was cool. But, if he kept this up? She was going to need to start fingering herself, because she'd seen so many of her friends getting action tonight that she couldn't deny it—she had gone to bed wet.

"I never would have guessed in a million years Veronica would swallow!" Andy went on, bringing Nannette back to the present.

"She what? No way!" she said, turning to look at him. There wasn't much light in the room, but she could see enough to tell if he was lying. Only, she never got the chance.

Andy's erection—so hard it was digging into her thigh—was throb-

bing. Not just throbbing, oozing. He'd lifted up the leg of his shorts, exposing his whole shaft. His mouth found hers just as the words left it, his hand cupping her chin. Syrup dripped into her bloomers. Andy was a good-looking guy. He'd always been more of a friend, though. Not that Nan hadn't spent a night or two, with as many fingers buried up her twat, dreaming about the bat he was swinging. Now, though, as horny as she was, she was totally freaking out. The motel room was full of her classmates! There was no way they could do anything and not get caught. It'd be impossible.

"Are you crazy?" she asked, drop-

ping her voice but still being firm.

"Okay, not all of it," he admitted, still focused on their friends. "But she was going down on him when she gagged and came up absolutely drooling jizz. Cheryl jacked a couple shots onto her tits, then sucked the rest off Veronica's face. I nearly blew a load just watching!"

Shockingly, it didn't seem like he was lying. Not even exaggerating. His hand crawled up under her shirt, giving her goosebumps.

"You have no idea," he confessed, in between plunging his tongue into her mouth and nibbling her neck. "What a turn on it was."

Nannette could, though. She wanted to rip off her panties and beg Andy to stick his cock up her. The crotch of her bloomers was plastered to her slick folds. Veronica with a face full of cum? Cheryl making out with her and sucking it off? Jacking the leftovers onto her pale skin while they swapped jizz-flavored spit?

Outside, it was still in the 80s. With the cheap motel's A/C overwhelmed by the amount of people in the room, it was anything but cold. Still, Nannette shivered. It was all the tip-off Andy needed.

He gave her bud a squeeze, his free hand slipping into her panties, trying to work them down. Lily snorted and rolled over. Nannette stopped Andy before his fingers could find her sweet spot. Barely.

"We can't," she said, although she stopped short of pulling his hand out of her undies. "We'll wake someone up!"

"And?" he challenged, grinding his finger around her areola, working her up, his cockhead now smeared in pre-cum. He shifted his hips, bringing the tip closer to the bottom of her shorts.

Could she? She wondered. If she tried to brush him off again, and her hand slid over just a teeny bit, could she run a finger through his lube...then taste it, without him noticing? Did she dare try? The dirty thoughts raced through her frazzled brain.

Plus, what would happen if she did? It wasn't like she could suck him off here. Just the same, if she did taste his jizz, she felt certain she wasn't going to be able to stop herself.

HUSHED HUMPERS

Continued from page 30

Andy teased her with his fingers, bringing her almost to the brink.

"I gotta give Lance credit. He must've been saving it up for a week. Bro shot all over those two. That much cum? His balls must be huge!"

That did it. She imagined Lance ejaculating all over her friends' faces, the avowed lesbian and her girlfriend guzzling his load, cheeks still smeared with each others' girl sauce. She reached back, intending to nudge Andy's dick away. That's all, no big deal. He'd have no clue what she was really after. But with her fingertips covered in his drippage, he changed her plans, thrusting into her grip.

She gasped, unable to stay silent. Andy found her palm and slapped his prick against it, using her curled fingers like a sex toy.

"Andy!"

He grabbed her hip, pulling her against him, her hand tightening.

"Ooh, well, I don't mind if you do," he said, his tongue darting into her ear. Despite her fear, she didn't let go. She wanted to be Andy's Veronica and Cheryl. If he gave her a Homecoming night facial, she'd happily let him feed her all the love butter he could spew. Just not here, where she had no idea who might've already woken up.

"Okay," she gave in. "Take the pillowcase off, and don't make any noise! If we're going to do this, I don't want to sleep in it!"

"Aww, that's no fun," he said, making no move to comply.

"I'm not gonna jack you off onto my shorts!"

"Then just let me cum inside you," he suggested.

Did...did her best guy friend throughout high school just say he wanted to fuck her?

Her breath caught. Andy kept at it, his rock-hard dick filling her hand. Even though she knew it could never happen-not here, anyway-the thought of Andy's tool filling her snatch instead of her hand got her rubbing her thighs together. Damnit, she needed to cum!

She rolled onto her back, bringing them face-to-face, slowing Andy up before he could climb on top of her.

"You are going to wake up the

whole room!" she hissed. "Listen, I'll get you off, and later we can-"

His hands were both free now. She hadn't considered that. Her shorts suddenly around her ankles made her freeze. Andy's tongue was in her mouth again, his chest flattening her boobs. His knee parted her thighs.

"Mph-you have to-hlstop!" she tried, in between really hot kisses. It was getting tougher to breathe.

Andy's sloppy tip was nestled between her lips, her twat hungry for more.

"You ready? I got twenty says you'll be the one wakes everybody up."

Pussy ju

She shook her head. Her eyes

bulged. Andy entered her, his girth stretching her woefully inexperienced fuckhole.

"Y-you're inside me!" she breathed, her nails digging into his shoulders. "This is nuts!"

"No, these are nuts," he said, slamming into her pussy balls-deep, making her throw her head back.

Dear sweet Jesus, she thought, trying to control herself. Pussy juice was streaming down her thighs. Andy's big cock was turning her inside out, making her want to scream. Fuck, but it felt good!

"Un-ung-g-g-ghhh!"

She shut her mouth. Andy plowed into her, drilling her into the bed, the springs nowhere as greased up as her meat-packed fuck-tunnel.

"Hmph," he muttered. "Thought I had you there. Ehh." He shrugged, and then brought her legs up, angling so he could hammer into her twat even harder.

Nan had plenty of cash in addition to her mom's card, and thought about simply handing Andy her wallet. She couldn't hold out, not against this onslaught of dick. She was already on the verge of an orgasm, and even though she hadn't been with many guys—two to be exact—word had gotten around. Nan liked to get noisy when she came. Todd Brewer, the first guy who'd ever gone down on her, had bragged about it in the locker room. It was the weekend after her 18th birthday, and they were stream-

ing a movie in the basement. He was down on his knees, face buried in her pussy, when she went off like Vesuvius. His mom had come to the basement door to see if everything was all right. Lucky for them, Todd was a quick thinker, and blamed it on the horror movie they were watching. Nannette nearly freaked, given that they'd been watching a comedy. Todd loved telling the story.

Andy, though...he was taking advantage. The odds were stacked against her, and he damn well knew it. Lifting her ass off the bed so he could suck her tits was just piling on!

Then again, she thought. How long could he last? He'd slipped into bed ready to go, hadn't he? He'd nearly shot watching Cheryl and Veronica's girl-girl facial fun. He couldn't possibly, couldn't, poss—

The cum blew through her like the kick from firing a shotgun. Her back arched, her clit got crushed between Andy's groin and her dewy crotch,

and her thigh muscles triggered like she'd just touched a live wire.

She whimpered, tears in her eyes as she fought to keep from shrieking. If only she could hold off for just another minute or two. That's all. Sure, she'd lose, but, there was a really good chance she'd get off at least one more time. If he was going to fuck her into submission? Oh well, this was her last year of school anyway. It's not

like her classmates hadn't already heard slutty stories about her.

Nannette yanked the covers and rolled, keeping the pair concealed, straddling him. She was still gushing, but now? Now it was her turn.

She worked her way down, cunt muscles still twitching. She took the tip of Andy's dick between her lips, tasting herself, and started inhaling, the salty edge to his pre-cum finding its way to the back of her throat.

"Whoa!" Andy said softly, grabbing her firmly by the ponytail. "That's how to get back in the game!"

She dragged her tongue down his shaft, fondling his balls. Andy bent a little to the right, so it was her left cheek that took the brunt of his facefuck. He covered them both with the bedspread, the sheet crumpled up by their feet. Light coming in through the window reflected off the headboard, signaling that morning would be here soon.

"Five more says you can't get it all," he teased, his hand resting on the back of her head. He pushed another inch into her throat.

Nan knew she was out of her league, but didn't care. Her BJ resume was only slightly longer than her list of times going all the way. Even so, she'd learned a trick or two. The locker room wasn't just a great place to stare at naked classmates. Now, she was putting all of their tips to work.

Flicking her tongue across Andy's tip while jacking him really got him into it, and running her thumb along his glans drew a satisfied grunt. Nan took him out of her mouth, lapping her way down to his nutsac, engulfing his balls and sucking on them like

a pro. Andy spread his legs. She stroked him fast, alternating hands, quickly learning he had a preference for her lefty technique. When she wrapped her lips around his prick again, she worked that combo to the max: suck, slurp, jack, suck, slurp jack. Mostly lefty, with the occasional furious double-fister entering the picture when she wasn't using that hand to work her clit.

"Are you fingering your-?" he asked, voice not quite so low. The room was getting brighter. Nan didn't know if she was going to have enough time to finish. Not the way she'd been fantasizing about for the last ten or fifteen minutes. Her pussy spasming with a ferocious climax, Andy gagging her with a torrent of jizz. She hadn't heard anyone stir since they'd been going at it, but, it was only a matter of time. Sun-up was coming. She needed Andy to cum even sooner.

He was clearly impressed, watching her blow him while fingering herself toward another climax. And, he was breathing a lot harder.

He must have noticed the way she was looking at him, because he folded

one arm behind his head and just stared, smiling.

"It's okay," he said, his voice barely audible again. "I can wait."

Nan went at it like clips she'd seen online when her parents weren't home. Three-ways. Two guys unloading on one dirty little cocksucker's face. Girls so big they could suck their own nips while a guy fucked them from behind. The dirtier, the better.

"Think you can cum as much as Lance?" she challenged, her eyes meeting his. Before he could answer, she was back down his shaft, lips encircling his rod, so close to his pubes the five extra bucks he teased were almost a guarantee.

"If I do, sure hope you can hold your breath while you swallow," he said, sacrificing the five to bury his cock all the way into her mouth.

Nannette held his gaze, knowing the eye-contact was driving him crazy. She stayed put, mouth and throat packed with dick, showing off her relatively-untested oral prowess.

In the next bed, someone moved.

One inch slipped free. Then another. Andy pulled her back

down, but the panic was setting in.

"Quick! We're out of time!"

Andy got hold of her under the arms and pulled her astride him, kissing her hard.

"Who cares?"

Without hesitating, he hooked her feet behind his knees, grabbed hold of her full, round ass, his middle finger brushing against her back door, and drove his length into her again. She couldn't stop him. Not that she tried. For the first time, she got it. He didn't care if they got caught. He might even be hoping they did.

"Mouth or pussy," he asked, Nannette on the verge of another orgasm. "Up to you," he added. "But...you better pick fast."

He smirked, wrapping her in a bear hug and preparing to cum.

"Th-" she stuttered. "Thir-ty... seconds. Can, you...w-wait?"

Andy didn't think he could, but nodded. Nan pulled the pillow from under his head and screamed like she'd just jumped out of a plane without a parachute. Andy's legs tensed. He could hear Nan howling through the pillow. It was his break-

ing point.
"Nan! Get read-"

She slithered down his sweaty thighs, pressing the head of his cock against her right cheek this time. Andy shot, Nan's face bulging before she started guzzling what seemed like a river of hot jizz.

Nestled under Andy's arm, light poured in over the balcony, other partygoers looking to get the free breakfast before checking out. The clock read 7:22.

Lily's eyes popped open. She winked, and turned away.

By the time she finally made it into the bathroom, wobbly like she'd been horseback riding, she was sticky everywhere. The backs of her legs, her butt, a trail of cum had dried down the side of her neck...the more she looked, the more she found. Feeling only slightly more presentable, she exited the bathroom. Andy was standing there, dressed, looking fresh and dapper!

"Here," he said, kissing her on her freshly washed cheek. In his hand was fifteen bucks.

"I'm not really gonna-" she said, trying to push his hand away. He kissed her the way he had the night before, giving her a tight hug. He stuck the bills into the waistband of her jeans. Their classmates clapped. Nannette glanced around. Veronica gave her a thumbs-up.

They all knew, she realized.

"Me and Ray worked out something with the desk clerk. Different room next Saturday," he whispered. "Double or nothing."

"Next!" Ray called, climbing out of the tub, chuckling as he walked past. Nan went white, having forgot he was in there while she was washing up. She headed for the door.

"Where are you going, slut?" Lily giggled, falling into step beside her.

"Coffee shop," Nannette said proudly. "Wanna come? I'm buying."

She held up a damp five and a ten. Lily gave her a high five. Nan didn't usually drink coffee, but this morning was different. She was interested in a much-needed caffeine kick.
